

## **Roto Profit** from Roto Solutions *Are your Profits High Enough?*

Times are tough and will get tougher before they get better. Roto moulders must get leaner, meaner and more efficient. They must cut costs, use raw materials more efficiently, reduce wastage and run their processes to their maximum effectiveness.

In response to these difficult times [Roto Solutions](#) has introduced [Roto Profit](#). [Roto Profit](#) is a fee-based process audit system that in co-operation with you, will examine your total Rotomoulding process and initiate improvements.

[Roto Profit](#) comes with a cast-iron guarantee that it will introduce enough efficiency savings to be a positive investment. In short, [Roto Profit](#) will pay for itself over a relatively short period of time.

Listed below are just some of the areas that may need to be looked at in order to improve your process.

- Materials
- Moulds
- Machines
- **Your working environment**
- **Tools and equipment**
- Training
